ages of 20 and 79 with limits ranging from \$5,000 to \$25,000.

The Graded Death Benefit

The death benefit available from the Graded Death Benefit Whole Life certificate increases over the first three years as follows:

Year 1

The death benefit is at least 10% of the face amount or an amount equal to one annual premium plus 10%, whichever is higher. The full face amount will be paid for accidental death.

Year 2

The death benefit is at least 25% of the face amount or an amount equal to two annual premiums plus 10%, whichever is higher. The full face amount will be paid for accidental death.

Year 3

100% of the face amount is paid upon death for any cause.

Accelerated Death Benefit – at No Additional Charge****

You may accelerate up to 50% of the death benefit if you are diagnosed by a physician to have a life expectancy of 12 months

or less. This feature is added at no additional cost.
