You may elect not to have withholding apply to your payments by returning this form, ensuring that Section 3 is fully completed, and that you have signed and dated the form in Section 5. Your election will remain in effect until you revoke your election by submitting your request in writing.

FEDERAL WITHHOLDING - Please Check One (If no election is made, 10% federal income tax will be withheld)

STATE WITHHOLDING If you reside in one of the following states – CA, DC, DE GA, IA, KS, MA, ME, MI*, NE, NC, OK, OR, VT, or VA - and federal income tax is withheld, we will automatically withhold state income tax. If your state allows, you may opt out. See the enclosed *State Tax Withholding Information*, to determine if your state allows you to opt out. You may elect to withhold if you live in any state except AK, FL, NH, NV, SD, TN, TX, WA, WY. Please check one of the following boxes:

- Do not withhold. I live in one of the states listed above, but my state allows me to opt out.
- Withhold \$ _____ or _____%.

*MICHIGAN RESIDENTS: Please refer to www.michigan.gov/taxes for information regarding the MI W-4P form for tax withholding or opt-out information. If this form is not received, state income tax will be withheld.

Notice: Federal law requires withholding a minimum of 10% federal income tax from taxable distributions, unless you elect not to have taxes withheld, or specify a different withholding amount. Withholding will only apply to that portion of your distribution that is includable in your income subject to federal income tax. You may revoke this withholding election at any time by contacting Athene Annuity & Life Assurance Company of New York in writing unless the distribution is from a tax sheltered annuity or qualified plan that is eligible to be rolled over to an IRA or qualified plan. In these cases, the distribution will be subject to a 20% mandatory withholding therefore you may not elect to waive the federal income tax withheld. Electing not to withhold at this time does not release the liability for payment of federal and, if applicable, state income tax on the taxable portion of your payment. If you elect not to have withholding apply to your annuity payments, or if you do not have enough federal income tax withheld from your annuity payments, you may be responsible for payments of estimated tax. You may incur tax penalties if your withholding and estimated tax payments are not adequate.
