Medicare Part A Hospital Coverage

Medicare Part A hospital/skilled nursing facility care eligible expenses include charges for semiprivate room and board, general nursing and miscellaneous services and supplies.

Deductible – Plans F and G pay the \$1,100 inpatient hospital deductible for each benefit period, which begins the first full day you're hospitalized and ends when you haven't been in a hospital or skilled nursing facility for 60 days in a row.

Coinsurance – Plans A, F and G pay \$275 a day when you're hospitalized from the 61st through the 90th day. And, when you're in the hospital from the 91st day through the 150th day, you receive \$550 a day for each Lifetime Reserve day used.

Extended Hospital Coverage – When you're in the hospital longer than 150 days during a benefit period, and you've exhausted your 60 days of Medicare Lifetime Reserve, Plans A, F and G pay the Medicare Part A eligible expenses for hospitalization, paid at the

rate Medicare would have paid, subject to a lifetime maximum benefit of an additional 365 days.

Benefit for Blood – Plans A, F and G pay Medicare's one calendar-year deductible for blood that is the cost of the first three pints needed.

Skilled Nursing Facility Care Benefit

Coinsurance – Plans F and G pay up to \$137.50 a day from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare-certified skilled nursing facility within 30 days of being hospitalized for at least three days.

Hospice Care Benefit

Outpatient Prescription Drugs – Plans A, F and G pay \$5 per prescription for outpatient prescription drugs for pain and symptom management.

Inpatient Respite Care – Plans A, F and G pay 5% of the Medicare-approved amount for inpatient respite care (short-term care given by another caregiver, so the usual caregiver can rest).

Medicare Part B Medical Coverage

Medicare Part B eligible expenses include charges for physicians' services, hospital outpatient services and supplies, physical and speech therapy and ambulance service.

Deductible – Plan F pays the \$155 calendar-year deductible.

Coinsurance – After the Medicare Part B deductible, Plans A, F and G pay 20% of eligible expenses. For hospital outpatient services, the copayment amount

will be paid under a prospective payment system. If this system is not used, then generally 20% of Medicare approved expenses will be paid.

Excess Benefits – Your bill for Medicare Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Plans F and G pay 100% of the difference, up to the charge limitation established by Medicare.

Benefit for Blood – Plans A, F and G pay Medicare's one calendar-year deductible for blood that is the cost of the first three pints needed.

Additional Benefit

Medically Necessary Emergency Care Received Outside the U.S. – After you pay a \$250 calendar-year deductible, Plans F and G pay you 80% of eligible expenses for health care you need because of a covered

injury or illness beginning during the first 60 days of each trip up to a lifetime maximum of \$50,000. Emergency care is care needed immediately because of an injury or an illness of sudden and unexpected onset.

Plan Overview

Of the 11 Medicare supplement insurance plans, United of Omaha offers you three coverages that can help pay some eligible expenses not paid for by Medicare Part A and Medicare Part B. **There may be charges above what Medicare and United of Omaha pay.** Plan A is available to persons under age 65 on Medicare due to a disability.

Your Medicare supplement will not pay for:

- any expense incurred before your policy date
- expense incurred while this policy is not in force
- expense paid for by Medicare
- services for non-Medicare eligible expenses
- services for which no charge is made when there is no insurance
- loss or expense that is payable under any other Medicare supplement insurance policy or certificate

Medicare eligible expenses means charges of the kinds covered by Medicare Parts A and B, to the extent Medicare recognizes them as reasonable and medically necessary.

Coinsurance is the portion of the eligible expense not paid by Medicare and paid by United of Omaha.

Open enrollment. You can't be denied any Medicare supplement policy if your application is submitted during the six-month period beginning with the first month in which you first enroll for Medicare Part B benefits at age 65 or older, or upon attaining age 65 if you were previously enrolled in Medicare Part B prior to turning age 65.

If you're under age 65, you can purchase any plan offered by an insurer to individuals under age 65 during the six-month period beginning with the first month in which you first enroll for Medicare Part B benefits.

Features Give You More Peace of Mind

You're covered immediately. There is no waiting period for preexisting conditions and benefits will be paid from the time your policy is in force.

You have a 30-day free look. If you're not satisfied with your policy, send it back to us within 30 days after receiving it, and we'll refund your premium. Then, this policy will be considered as though it were never issued.

Your policy cannot be canceled. It will be renewed as long as the premiums are paid on time and the information is correct on your application.

Your Medicare supplement benefits will automatically increase as Medicare deductibles and coinsurance increase. Benefits are not paid for any expense paid by Medicare.

Benefits are paid to you, your hospital or doctor. Benefits and premiums under this policy may be suspended for up to 24 months if you become entitled to benefits under Medicaid. You must

request that your policy be suspended within 90 days of becoming entitled to Medicaid. If you lose (are no longer entitled to) benefits from Medicaid, this policy can be reinstated if you request reinstatement within 90 days of the loss of such benefits and pay the required premium.

You have 31 days from your renewal date to pay your premium. Your policy will stay in force during this 31-day grace period.

You can't be singled out for a rate increase, no matter how many times you receive benefits. Your premium changes: (a) each year on the renewal date coinciding with or following the anniversary of your policy date until you reach age 90; and (b) when the same premium change is made on all in-force Medicare supplement policies of the same form issued to persons of your classification that are renewed in the same state where you live at the same time we change premiums. Your policy's two-person household premium discount ends if the person you live with terminates his or her policy or moves to a different residence.

This is a brief description of your coverage. The outline of coverage must accompany this brochure. For complete information on benefits, exceptions, limitations and reductions, please read your outline of coverage and your policy.

This is a solicitation of insurance and an insurance agent will contact you by telephone.

2010 Medicare Supplement Insurance Plans M and N

Plans M and N are generally lower-priced than other Medicare supplement plans for a simple reason: You help pay more of the out-of-pocket costs Medicare doesn't cover.

For example, Plan M pays half of the Medicare Part A deductible and you pay half. And, Plan M does not pay the Medicare Part B deductible or for excess benefits, you do. That lowers your annual Plan M premium.

Plan N doesn't pay the Medicare Part B deductible or for excess benefits either, you do. You also help pay the Medicare Part B coinsurance for office and emergency room visits.

As with any choice, it comes down to what you're comfortable with. Plans M and N might be attractive options if you prefer lower premiums in exchange for higher out-of-pocket costs.

Premium Information

We, United of Omaha, can only raise your premium if we raise the premium for all the policies like yours in this state. Until you are age 90, your premium may change each year. This change will only be made on the first renewal date that coincides with or follows each anniversary of the policy date. Schedules of rates may vary depending upon your policy date.

Disclosures

Use this outline to compare benefits and premiums among policies.
This outline shows benefits and premiums of policies sold for effective dates on or after June 1, 2010.
Policies sold for effective dates prior to June 1, 2010, have different benefits and premiums. Plans E, H, I, and J are no longer available for sale.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to United of Omaha Life Insurance Company, Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

The policy may not fully cover all of your medical costs. Neither United of Omaha nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Limitations and Exclusions

We will not pay benefits for:

- (a) services for which a charge is normally not made when there is no insurance;
- (b) expense incurred before the policy date;
- (c) expense incurred which is paid for by Medicare;
- (d) expense incurred while this policy is not in force;
- (e) services for non-Medicare Eligible Expenses; or
- (f) loss or expense payable under any other Medicare supplement insurance policy or certificate.

Refund of Premium

In the event of cancellation or death, we will promptly return the unearned portion of any premium paid.

IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

I wish to apply for a Medicare supplement insurance policy. I represent that my answers and statements on this application are true and complete. I understand that, upon acceptance of the completed application, each applicant will receive a separate policy. Notice to Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by United of Omaha Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premiums as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
