Optional Benefits That Make LifeTime Benefit Term Even More Valuable¹

Accidental Death Benefit¹

This optional benefit pays in the event of accidental death. It is available at issue ages 20 through 60, and will double the total death benefit paid to your beneficiary (not to exceed \$150,000) if death results from an accident. The Accidental Death Benefit expires on the certificate anniversary following your 65th birthday (see certificate for full explanation).

Dependent Child Benefit¹

One low premium covers all natural, adopted, step-children or any children for whom you are a legal guardian who are 15 days through 18 years old. Coverage continues until a child reaches age 23, marries or is no longer a dependent, or when you reach age 65 or terminate coverage, whichever comes first. Coverage is guaranteed issue and you may select benefit amounts from \$5,000 to \$25,000.

Waiver of Premium¹

This optional benefit is only available to employees. The Waiver of Premium Benefit provides that premium will be waived if the insured employee becomes totally disabled for at least a six (6) month period prior to age 60. Total disability is defined as the inability of the insured to substantially perform the essential duties of any occupation for which the insured may qualify by reason of education, training or experience in the usual and customary way due to bodily injury or disease. This benefit provides that any premium due and paid since the start of total disability will be refunded. Issue ages are 20-55.
